

# Salome Seahorse

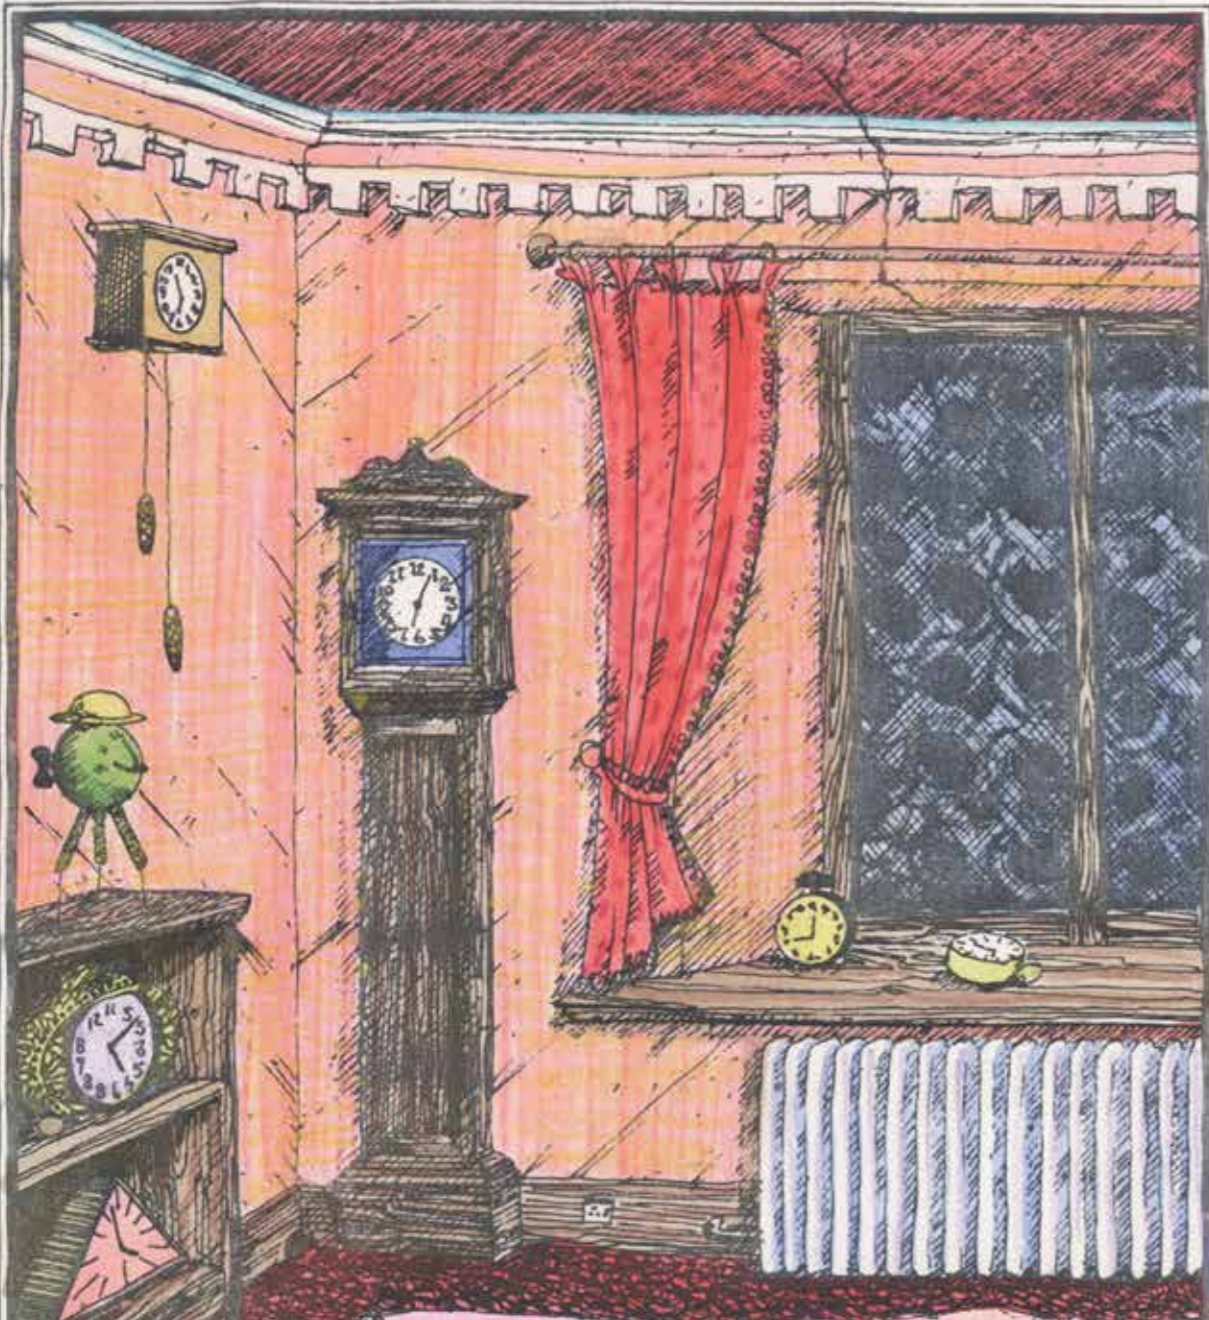

loves to dance  
to the gentle beat of the sea

the oysters like it when she floats down  
to visit them for tea;

they drink coral soup  
eat sea urchin stew  
finish with seaweed cream;

Salome sings a shanty or two  
then dances home in a dream.

# Willie Wombat

Willie is a Wombat  
he wears bright yellow socks  
he eats his porridge backwards  
and NEVER winds his clocks.
